

TEMPORARY VISITOR ISSUANCE GUIDE

LAWFUL PRESENCE REQUIREMENTS FOR APPLICANTS

There are several requirements all applicants must meet in order to obtain a Texas driver license or identification card, including most notably identity and social security requirements. The following is a guide to assist driver license personnel to apply the requirements the lawful presence requirements of Texas Transportation Code, Chapter 521 to the documents presented by an applicant for a **non-commercial** driver license or an identification card. It is important to note that documents presented by an applicant to satisfy lawful presence requirements may not be sufficient to meet the requirements of 37 Texas Administrative Code §15.24 (Identity) even though both may require the same or similar documents.

An applicant who is not a U.S. citizen, U.S. national, lawful permanent resident, refugee, or asylee must present lawful presence documentation issued by the appropriate federal immigration authority when applying for a non-commercial driver license or identification card.

For commercial driver license applicants, a person who is not a U.S. citizen, U.S. national, U.S. lawful permanent resident, or a refugee or asylee admitted in the U.S. must apply for a **nonresident commercial driver license**. Refer to Chapter 522 of the Transportation Code or other guidance related to nonresident commercial driver licenses for the application and eligibility requirements.

All documents provided by an applicant to prove his or her lawful status in the United States, must show the same name and date of birth, unless the applicant can present additional documentation to indicate a name change, verify any conflicting information, or verify incomplete names and/or dates of birth. This additional documentation may be a marriage license, divorce decree, or court ordered name change.

I-94 HOLDERS – An I-94 filled in by the alien (OMB No. 1651-0111) must be stamped by DHS personnel to be acceptable. A computer generated I-94 issued by USCIS does not need to be stamped to be acceptable.
